# Shotgun Raffle

Tickets \$10 Each

The winner does not have to be present to claim the prize.

First Prize – Weatherby Orion – over/under 12 gauge

Second Prize – Tri Star Trinity – over/under 12 gauge

First Prize:

Weatherby Orion

OVER/UNDER

ENDURANCE TESTED, FIELD PROVEN™

With striking good looks, light weight and a slim profile, the Orion is a trusted companion for birds and clays. Its action avoids the bulk seen in many over/unders by employing a pair of side-mounted locking lugs nestled in just above the ejectors. With three variants to span field and clays use, all are equipped with Turkish walnut furniture and ship with a set of interchangeable chokes.

Second Prize:

Tri Star

Trinity

3" Chamber Over and Under. The Trinity features a solid frame for durability and strength, sealed actions to keep dirt out, self-adjusting locking lugs, top tang barrel selector and safety, and steel mono-block barrel construction and Turkish Walnut with a oil stain finish. Comes with 5 interchangeable Beretta®/Benelli® Mobil style choke tubes (SK, IC, M, IM, F), choke box and choke wrench. Rubber recoil pad and backed with a five-year mechanical warranty.
