

**Subject:** Newsletter for Week of April 16th

**Date:** Thursday, April 12, 2018 at 6:27:38 PM Eastern Daylight Time

**From:** Amanda Christman

**To:** Robert Compton, Erica McCray

Hello families! I hope everyone is doing well! Our POL is right around the corner (April 26th). We will begin putting together the books we've worked on, creating posters, and filming informational videos. If you would like to print out 1 or 2 pictures over the weekend of your child's animal to add to their groups poster that would be greatly appreciated.

**Objectives for the Week:**

Reading: I can tell what can be learned from a nonfiction book and the parts of a nonfiction book.

Writing: I can write a question.

Phonics: I can make new words from sounds I know.

Math: I can count up from any given number.

PBL: I can review what I have learned about my endangered animal.

**How to Help at Home:**

Math: Practice counting up from any given number with your child. For example, "Count up from 73 to 100 by ones." Your child will reply, "73, 74, 75, 76.... 100".

Reading: Make sure you are exposing your child to nonfiction books as well as fiction. Don't forget to read for 20 minutes every night!

PBL: Continue discussing your child's animal with them.

**Important Dates:**

April 20th- Math MAP Testing

April 25th- Progress Reports

April 26th- at 1:00pm- POL

April 27th- Reading MAP Testing

May 3rd- Field Trip to Daniel Stowe

May 16th - Riverwalk Academy Art Show

May 23rd- Field Day

May 25th- Kindergarten Moving Up Ceremony

May 28th- No school

May 31st- Last day of school

**Shout Outs**

- Good job Daniel, Yahel, Garick, and Addison for being this week's certificate winners!
- Great job parents! Every single child brought in their permission slip and money on time! Y'all are awesome 😊

FYI - I did not get a chance to gather the students work together for this week. Work will go home next Thursday. If you'd like to see it before then, please reach out 😊
