

# What's happening in Elementary ART (K-5th)

February, 2018

Our rock garden is in the final stages! Each of our students painted a river rock and it is now in concrete around our flagpoles! In the Spring we will paint another rock which your child will bring home to hide in the community to bring some happiness to whomever the “finder” might be. They are already greatly looking forward to this!

## Help us stay germ free in Art!

With the flu and so many sicknesses going around this time of the year, please consider sending in ***hand sanitizer*** and ***Clorox/Lysol wipes*** to the Art Room.

Thank you!
