Dear Parents,

We had a wonderful week back at school. We reviewed rules and procedures and I did progress monitoring on your child in reading. I am really needing for my students to go over the Fry words each night. Some of the children are not reading on grade level and by reviewing this list for 10 minutes each night it will make a world of difference. Please make sure your child is reading their book to you aloud and ask them questions about the story.

We will begin having spelling tests on sight words every Friday. We will review them in class everyday and please go over the words nightly. Also on Friday we will have a math fact quiz and this week we are on adding 4.

In PBL we are studying about the presidents and government. On Friday, January 18 we will be voting for a class president. If your child wants to run please help them write a couple sentences telling why they would make a good class president. Each student who wants to run will read their sentences on Friday and we will vote.

I am needing each child to please bring a snack. This past week I had to give most of the class a snack at snack time. It gets expensive and I do not have many left. 

Each day please make sure your child brings their folder to school. Make sure the behavior calendar is signed and reading log is filled out.

Have a great week.

Kindest Regards,  
Mrs. Stacy Harker
