Dear Parents,

Hope you have had a good weekend and are enjoying a few extra days off with your child. We had a wonderful day on Thursday celebrating Valentine's Day. We exchanged valentines, ate a cupcake and did some crafts. ❤️

Our POL is Feb. 28 at 1:00 pm in the multipurpose room. We will have a first grade store and my class has been working hard making items. When the parents come you will have the opportunity to buy some items. Each item costs \$1.00. We have voted on our cashiers, greeters, organizer and store manager. THANK YOU TO EVERYONE WHO BROUGHT IN THE MATERIALS WE NEEDED FOR THIS PBL..... I COULD NOT DO IT WITHOUT YOU!!! 🙌

We are focusing on informational writing and are reading a non-fiction book each day. We pick 3 facts and decide on a topic sentence and closing together. We will continue with informational writing this week. 📖

We are looking at adjectives and how they describe nouns this week in phonics.

In reading we will continue reading on our levels. By the end of year your child needs to be on a J/K. Please take a look at your child's letter on their book this week. Some have passed the end of year expectant growth and some are still needing to grow. Please read with your child nightly... this will help them reach their goal. 📖

Math we are studying graphs and 2-D and 3-D shapes. We are learning about sides, angles and vertices. We are reviewing our facts 1-5 this week.

We will not have an official spelling or math quiz test this week because of our day off on Monday. We will focus on 5 sight words and review math facts but will not have a test.

Lastly, your child brought a reading text book home on Thursday. Please allow them to read a couple stories to you if you have the time.

Kindest Regards,
