Good Afternoon Families,

I hope everyone is enjoying their weekend and was able to take advantage of this nice weather while it isn't raining!! Below you will find information for this week and other important dates!

FIELD TRIP-Field trip forms went out on Wednesday! All money and permission forms are due by **Wednesday March 27th**!!!!

Fundraising- Fundraising forms were sent out last week. We are having a BBQ fundraiser and several other fundraisers to help raise money for turf for the students to play on for PE and recess. Any donation will help us towards our school goal. You can also dontate to the GoFundMe page below!!

Math- We wrapped up our chapter on Friday. Tomorrow we will work on a study guide. Our test will be on Wednesday March 13th. Please make sure your child studies for the vocabulary portion of the test!

Writing-We are continuing to work on our opinion writings. We started our rough drafts last week. Over the next several weeks we will go back and revise our writings to make them better!

Research- This week students will begin working In their groups for their POL. Students will decide on a product they'd like to sell for a profit. However, the students
will be taxed 3% of their sales and we will decide as a third grade what the sales tax should go towards. Students will reflect at the end of the project on how they felt on being taxed on something they made and on money they earned.

Reading- This week we will work on finding word meaning in context. We will read passages and stories and determine what the author means when he uses a certain word(s) or phrase(s).

If you have any questions or concerns please feel free to email me!

Enjoy the rest of your weekend! I will see everyone Monday morning!

Warm Regards,
Mrs. DeLangie
