

Happy Sunday Parents,

It is hard to believe how quickly our year is flying by. Watching your child grow each and every day has been such a joy for us as their teachers. Here is a glance at our week to come in 2nd grade.

Our Animal Unit is in FULL swing. Our POL will be April 30th beginning at noon. Please make plans to attend. Your student will be creating the habitat for their animal that they are researching. Please keep in mind that their habitat needs to fit on their desk. Friday, April 20th is when we will be collecting supplies. PLEASE do not send supplies in with your student before Friday.

Our Zoo field trip will be May 9th and cost \$15. We are thrilled for the students to see the animals they have researched. All information regarding being a chaperone will come home on Monday.

Important Dates and Information:

Monday:

*Field Trip papers will go home

Tuesday:

*Field Trip forms can be returned

Thursday:

End of the Year MAP Math testing at 8:15

Friday:

*Animal Habitat supplies DUE

***If you have not sent in research with your child, please do so on Monday. Your child is using this research throughout the day for ELA and PBL.**

WISHLIST ITEMS: Lysol Wipes, individualized snacks, and white copy paper are our **biggest** needs.

Have a wonderful week,

Mrs. Smith, Ms. Bowman, and Ms. Wilcox
