Good Afternoon,

Can you believe that we are in the last 9 weeks of school? This school year has flown by and these last 9 weeks are going to go by super fast!!! I hope everyone had a wonderful weekend and enjoyed this beautiful weather. We are super excited for our field trip to Camp Cherokee tomorrow. This weeks email is rather lengthy but please read through it in its entirety because it contains important information regarding the field trip.

CAMP CHEROKEE Our field trip is tomorrow April 1st. Buses will be here at 8:00 and we will be departing shortly after. Please make sure your child is at school by 7:50 so we can leave on time. Students and chaperones will need to bring a bagged lunch and a water bottle. Please make sure your child dresses comfortably and wears tennis shoes because we will be walking a lot. As of right now the weather is going to be partly sunny with a high of 57 degrees. You may want to send jacket with your child for the morning due to the temperatures still being fairly cold. Also, some of the trails will be shaded as well. If your child has a Riverwalk shirt please have them wear it tomorrow! Chaperones-You will need to meet us at the school first. When you arrive at school, you will need to have your i.d. scanned at the computer in the lobby. We will meet you in lobby on our way out. If your child is riding with you they may leave with you at this time. I will give each chaperone the address to Camp Cherokee and/or you can also follow the buses. I've attached a copy of our schedule for the day.

READING- We will continue to work on the RACE strategy and we will use it when answering questions after reading. Students can also practice this with their reading at home. This will help the students tremendously with their comprehension skills and with their Text Dependent analysis question for end of the year testing.

Math- We will wrap up our unit on area and perimeter this week and will have a chapter test next week. I will let you know in next Sunday's email when the test will be.

WRITING- Final drafts will be due this Friday April 5th. I changed the due date due to POL last week and in order to make sure all students had the opportunity to finish their paper. Any paper not turned in on Friday will result in a zero.

Research- We will begin our new unit on Animals and habitats. We're kicking off this unit with our field trip to Camp Cherokee. The rest of the week we will build on what we learned from Camp Cherokee.

I hope everyone has a great Sunday! I am super excited about our field trip tomorrow!!

Warm Regards,
Mrs. DeLangie
