Good Afternoon Families,

Happy Mother's Day!! I hope each and everyone of you are having a wonderful Mother's Day!! I will keep this weeks email brief due to testing and Mother's Day!

I've attached some important information regarding testing. Please take the time to review it with your child before tomorrow morning. I went over it Friday but it will be a great reminder for them if you go over it as well!

Please remember to have your child to school on time on testing days and make sure they are present. Our school day begins at 8:00!

Our testing days are:

Monday 5/13 ELA part 1
Tuesday 5/14 ELA part 2
Wednesday 5/15 Makeup
Thursday 5/16 Math
Friday 5/17 Makeup

At the end of each testing day we will have lunch. Our schedule will be a little different each due to testing. We will also have specials after testing days as well.

We will do some fun educational activities after testing and on days we are not testing this week.

I am beyond proud of each and every single student! They are going to ROCK this test!! They are super smart group of kiddos! They've got this!!! 😊 😊

* Our school art show is Thursday May 16th from 4-6. Please drop by if you have the chance to check out the art work your child has created this year. *

If you have any questions or concerns please feel free to email me!

Warm Regards,
Mrs. DeLangie
