Good Morning Wonderful Parents!

Our newsletter for the week is attached to this e-mail.

The kids LOVED working on their projects last week. I loved watching them work together in their teams to create their environments! Halfway through the construction, each team presented what they had created so far, and the students did SO WELL critiquing each others' work. This week we will put the finishing touches on our projects. We cannot wait to show you what we have learned this Wednesday, May 1st, at 1:00 in the Multi-Purpose Room!

I wanted to let you know that guided reading will be put on pause until I finish end of year F & P testing. Instead of pulling groups, I will be pulling students individually to test. With this being said, please still continue to have your child read to you for at least 15 minutes each night. Please let me know if you would like me to send home books to read, as your child will not be coming home with an assigned guided reading book.
