### **This week's objectives:**

**Reading:** We can retell important information from a book.

**Writing:** We can write an opinion piece about why our Mom is the best!

**Math:** We can work in small groups to focus on MAP testing skills.

**PBL:** We can identify important information on a map.

## **Important Reading Information**

Over the next two weeks I will be completing F&P Testing with your child. This will determine their end of the year reading level. The expectation is that children end the year reading on a level D. As I finish I will send you a message on Remind letting you know where your child ended up. Please be patient, this is a very long process because some students have to read several books to find their perfect level and I can stop between books based on their attention so that they can take a break and give me their best effort. **This is a great time to read a variety of books at night and practice sight words!! ☺**
