

Week of: April 23rd-27th

# Peek at the Week!

## Our Week at a Glance

**Math:** We will be comparing numbers using the greater than, less than and equal to. The students will continue practicing adding ten more and ten less and one more and one less. . Timed Addition or subtraction test on Friday.

**Reading Workshop:** Our poem of the week will be a "Hungry Shark." We will work on the blend -sh.. The students will practice discussing what they read with their peers after independent reading time.

**Writing Workshop:** We will begin reading fairy tales including the different versions of, "Hansel and Gretel" and "Hansel and Gretel Ninja Chicks." We will write and compare features of the stories.

**Science:** We will continue our unit on the sun and moon. We will examine different features of space and how they work together. Complete moon phases sheet each night!

**Wednesday- Clubs in the afternoon!**

## Words of the Week

swam   shark   shrimp  
loved   food   looking

## Hungry Shark

Shane the shark loved to eat.

He ate some shrimp

as an extra treat.

Shane swam to shore.

He was in a bad mood.

He went to shallow water

Looking for more food!

## Read Each Night!

Books will be sent home this week inside your child's folder. This is the book that is on your child's reading level and is the book used during our guided reading time. Please return it each day!

## Homework

We encourage all students to read each night, work on sight words, and practice addition facts. Have your child write a sentence about what they read each night. Also, practice writing the sight words and not just reading them. We also encourage that all students spend time with their families!

## Upcoming Important Dates:

**April 22nd-Reading MAPS test**

**May 1st-Museum Field Trip**

## Classroom Needs:

**Dry Erase Markers**

**Lysol/Clorox wipes**
