Hello Second Grade Families,

We hope you had a wonderful weekend. Please check below for the updates for this week.

Thank you again to all families for making our field trip such a success. The students had a wonderful time!

We are beginning our next PBL unit, we need your help families! The focus is cultural contributions and students will be making timelines. We are asking that you help your student come up with a list of events that they can put into a timeline of their life. Examples of some things to include can be birthdays, and significant life events. We only need a list of events, since it is PBL students will make their timelines in class. Please do not make the timeline at home. If you have any questions about this please reach out to your child's teacher.

Quick Glance at this Week:

ELA: Students will be able to understand what a folktale is.

Writing: Students will be able to use sound devices while writing poetry.

Phonics: Students will be able to review and practice most common word lists to improve spelling accuracy.

Math: Students will be able to understand measurement.

Research (PBL): Students will be able to understand cultural contributions by people from various regions throughout the U.S.

Upcoming Important Dates:

Thursday May 16th- Art Show 4:00pm-6:00pm
