Good Evening Second Grade Families,

We hope you had a wonderful long weekend! Last week was full of learning, and celebrating, with classroom Valentine celebrations on Thursday to conclude the week. All of the students had a great time celebrating with their peers and enjoyed the treats sent in. Thank you so much families for your contributions to make this day enjoyable for all students!

We are also continuing to clean and spray down our POD every afternoon before we leave to go home due to flu germs. We appreciate all parents that have donated Lysol wipes, so far. We also appreciate all parents keeping us up to date if their child is not feeling well. As a reminder please remember that your child must be 24 hours free from a fever and/or from vomiting before returning to school.

We are ready for the upcoming week ahead of us! Check below for the updates for this week!

Quick Glance at this Week:

ELA: Students will be able to compare and contrast texts by the same author.

Writing: Students will be able to write an informative piece that shows information using selection, organization, and analysis of content. They will also be able to identify how words and illustrations are used to provide information.

Phonics: Students will be able to apply Decoding Skill 2, conjunctions, and be able to apply the correct determiners.

Math: Students will be able to subtract three-digit numbers.

Research (PBL): Students will be able to explain the effects of supply and demand, the price of goods and services, as well as learn about markets to prepare for our 2nd grade market.

Important Dates:

Tuesday February 19th: Spirit Night at Empire (Newport) from 5 to 8:30pm

Friday February 22nd: Math Test on subtracting 3-digit numbers
