Good Evening Wonderful Parents!

I know it is earlier than usual, but I am attaching our newsletter for the week to this e-mail.

Please note that there will be no school this Monday, March 18th, as it is a teacher work day. This week, we are going to start our plant journals on our new plants. We are also going to do a couple of investigations with different types of soil. With that being said, we are also going to do an activity with rocks. If you have any medium sized rocks around your house and would like to send them in, we would love it! We will need all rocks by next Friday, March 22nd (we will be painting them).

Our class Scholastic orders are due next Friday, March 22nd. I will be submitting orders at 6:00 PM, so please make sure that your order is submitted by then. Orders may be submitted on the Scholastic website -<https://clubs.scholastic.com/cart> . Our class code is: QGCZJ.

Our class will also be previewing the book fair at school this Tuesday, March 19th from 11:00-11:30 AM. The school's book fair will be open from March 19-25th.

We will be going on a field trip to Bush-n-Vine on May 7th. There will be more details to come, I just wanted to put the date out there for everyone.
