Reading

This week in Reading, we will continue our unit on Text Structures.

RI.11.1

Students will apply knowledge of text structures across multiple texts to locate information and gain meaning.

Writing

This week, we will continue working on Text Dependent Analysis.

"This type of writing style requires students to read a text or passage and use actual text to support their answers, citing specific evidence directly from the text. Text-dependent analysis writing instructs students to provide specific evidence from the passages they read, while demonstrating the ability to interpret the meaning behind the evidence they provide."
