Good Morning Wonderful Parents!

I am attaching our newsletter for the week to this e-mail. Please always make sure that you read through both this message and the attachment, as both have pertinent information.

The kids are SO excited about their POL this Thursday, February 28th at 1:00 PM. We will start with a brief presentation in our classroom and then move to the Multi-Purpose Room for the second portion of our presentation. Please note that the "store" will be CASH ONLY. Every item will be \$1.00 and you will be able to check out at one of our elected cashiers. (: One of the items that the kids wanted to see in their store was "old toys that we don't play with anymore," so feel free to send in any of those if your child would like to. The kids have been hard at work researching and applying their knowledge to make their store visions come to life and they are so excited to share with everyone!

**\*\* All money collected from the store will go to funding needed classroom supplies. \*\***

Please note that your child's progress report was sent home in his or her green folder last Wednesday. Please make sure that you look at the document, sign, and return it so that I know that you have seen it. If you checked that you wanted to request a conference, I have reached out to you through Dojo. With that being said, please make sure that you are checking Dojo at least once a week, as that is my main method of communication to parents.

As you are reading with your child, please make sure that your child is reading to you for at least 15 minutes a day. I understand that it can be challenging if your child is still becoming fluent in reading, but the more practice your child gets, the better he or she will become. Please also remember to sign your child's reading log each night, as I check it daily.
