Good morning everyone! I hope everyone is enjoying their weekend thus far. Don't forget, you get another day off tomorrow to celebrate Memorial Day. Enjoy it!

This week we are going to have some extra fun! I have planned out different days for us this week and we will be doing different activities. See below for each day:

Tuesday May 28th- Pajama day. Bring a blanket and your favorite stuffed animal. We will be getting cozy and reading together!

Wednesday May 29th- Watermelon day. Dress like a watermelon! We will be doing various math and ELA activities as well as enjoying a delicious treat!

Thursday May 30th- Popcorn day. We will enjoy different kinds of popcorn and do various math and ELA activities!

Friday May 31st- Popsicle day. Wear your brightest colors while we go outside and play and enjoy a nice cold popsicle!

I will send a Remind message every morning reminding you of each days theme. I am so excited to participate in these activities!

Don't forget about our ceremony Tuesday June 4th. It is at 10:30. The students will change into their graduation shirts for the ceremony and we will be able to sign them afterwards. You may take your child after the ceremony.

Also, yearbooks will be distributed next Friday.

I think that is all for now. If something comes up, I will send you another email. Have a fantastic weekend!

Emily Hyleman
