## 2019 ART SHOW details:

cgriffith@riverwalkacademy.com

Every K-5th grade student *and* 7th grade students who took Art as their elective this year, will each have a piece of artwork **framed** and on display at the show. You will have the *option* to buy your child's artwork already matted and framed that night. It will cost you \$25. This is purely **OPTIONAL**. **ALL** of your student's artwork will be sent home with them at the end of the year, including this piece, for **FREE**. If you do not wish to buy the artwork that night, the Artome company will take it with them, unframe it and mail the original back to me. I will then put it in their portfolio for them to bring home. Buying the framed artwork is part of our Art department's way to raise funds and a great way to supply you with an already framed masterpiece. You will also have the option at the show to buy **REPRODUCTIONS** of your child's artwork if you want more than just their original piece. Your child will also have amazing artwork on the walls for your viewing. Again, please understand you **WILL** get every single piece of artwork from this year that your student made in their portfolios. You will be amazed at their art! I am so proud of each and every one of them. I hope to see you on **May 16th!** The Art Show is always a lot of fun and the kids **LOVE** showing you their projects. Be sure to find me so I can meet you!

Thank you for sharing your precious children with me, I have enjoyed them so much this year.
