Dear Parents,

Our field trip is this Tuesday, May 1 to the York County Museum. There are a couple things I need for this field trip to run smoothly.

1. Pack a lunch in a plastic throw away bag. NO LUNCH BOXES PLEASE.
2. Please write your child's name on the bag. (Put their drink inside the bag.)
3. Have your son or daughter wear socks so they can experience all the activities we will be doing.

These 3 things will help so much. 😊

All learners must ride the bus. If a parent is coming on our field trip you are welcome to follow the bus to the museum. Once the field trip is over you may sign your child out at the museum, if you would like, instead of waiting in the car line.

My class did very well on the Reading Map test. 98% of my students met their reading growth for the year. I am very proud of everyone of them.

I am beginning Running Records this week and will be finding their end of year reading levels. This level will be given to the 2nd grade teacher next year. I have found that some learners do better in a very quiet environment during the reading so they are not distracted. I may email a couple parents and see if your son or daughter can stay after school to test and you pick them up a little later.

Kindest Regards,  
Mrs. Stacy Harker
