Good Morning Families,

I hope everyone had a great weekend and is enjoying their Monday off! I hope you all were able to take advantage of the beautiful weather we had this weekend. Below you will find information pertaining to this week and important dates.

**Reading-** We will focus on informational text this week. We will identify nonfiction text features, how the author organizes the story, the overall message of the story and how we can apply this message to our lives. We will also work on summarizing the story.

**Math-** We started a new chapter on Thursday on Area and Perimeter. Students will discover how area is related to multiplication. We will still have fact fluency checks on Friday's. This Friday will be on the 5's.

**Writing-** We will begin to wrap up our opinion writings. As students finish their rough drafts this week we will conference about their writings. We will discuss their strong points and an area they can work on for their final drafts. I've seen some great rough drafts so far!

**PBL- Students have been working really hard on their products for their stores! Our POL (PRESENTATION OF LEARNING) will be Tuesday, March 26th at 1:00 p.m. We hope you can make it!**

Important Dates
