

3RD GRADE NEWS

Magnificent May

Important Dates:

- ♦ 5/16 Art Show
- ♦ 5/23 Field Day
- ♦ 5/31 Last Day of School

Testing

Testing went very well and we know that our students did a great job and did their very best on the SC Ready Test!

Drama Club

They rocked their performances on Friday and Saturday! We are so proud of all the students from 3rd grade who were part of the Beauty and the Beast play!

Dear 3rd Grade Families,

We hope that everyone enjoys Mother's Day and that all of our moms are treated to a fun and relaxing day!

Thank you for all the treats and gifts that everyone showered us with during Teacher Appreciation Week! We felt very loved and appreciated! Thank you all for all you have done for us throughout the school year!

Have a great week!

Mrs. Crowder, Mrs. DeLangie & Mrs. Davis

This Week In 3rd Grade

Reading - We will continue to review some of the skills we have worked on throughout the year.

Writing - Persuasive Writing - Students will finish the writing that goes along with our Life Science PBL.

Spelling - NO MORE SPELLING FOR THE REMAINDER OF THE SCHOOL YEAR

Math - We will continue to learn about fractions. We will also continue to work on measurement and data analysis.

Social Studies: Government & Civil War

3-3.5 Outline the structure of state government, including the branches of government (legislative, executive, and judicial), the representative bodies of each branch (general assembly, governor, and supreme court), and the basic powers of each branch.

Standard 3-4: The student will demonstrate an understanding of life in the antebellum period, the causes and effects of the Civil War, and the impact of Reconstruction in South Carolina.

Science:

We will be wrapping up our Life Science PBL and will begin some fun filled hands-on activities to learn about Matter, Electricity, and Magnetism.
