Happy (early) Memorial Day 4th Grade Families!

Only 7 more days left of this school year and I can't believe it! They are going to fly by and before we know, it will be summer.

Our 4th grade award ceremony will be held this Friday May 31st from 10-11 am in the multi-purpose room. **We are asking for each student to only have 2 guests. We do have limited seating so please stick to two guest.** We are asking students to dress dressy casual (girls can either wear a dress or skirts, boys can wear nice pants and a button up). Each student will be getting an award so come celebrate your student's 4th grade achievements with us!

### **Important Dates**

**Friday May 31st:** 4th Grade Award Ceremony @ 10-11 am in the multi-purpose

**Thursday June 6th:** Last Day of School (Dismissal at 11 am) and Ms. Mav's Birthday

**Friday June 7th:** Report cards being sent out

### **4th Grades Happenings**

**Math:** We will be wrapping up chapter 11 this week by doing a problem solving investigation and reviewing the chapter. On Thursday, we will do a whole POD review of the chapter and play jeopardy.

**ELA:** On Tuesday, students will get in groups and create a skit about the summary of the book. They will practice this on Tuesday and preform it to the POD on Wednesday. On Thursday, we will be having a POD campout and be telling different campfire stories while enjoying a nice little treat. In Spelling, we will be focusing on summer words. students will receive these words on Tuesday and we will have a Sparkle game on Friday. **The words are as follows: humidity, camping, beach, ocean, picnic, relax, sandals, watermelon, waterpark, and vacation.**

**Writing:** Students will complete a summer crossword puzzle on Tuesday and then, using all of those words, will create a story. We will will share these writings on Friday.

**PBL:** We will continue working on our special performance for you all for the 4th grade wards ceremony. The students have been working extremely hard and can't wait to show you!
