

Subject: Newsletter First Grade

Date: Sunday, March 10, 2019 at 10:14:18 AM Eastern Daylight Time

From: Stacy Harker

Hi Wonderful Parents,

We began our PBL on plants last week and had so much fun. We have planted lima beans in baggies, seeds in a cup and went outside and did a throw and grow activity. I'm hoping the rain will help our throw and grow activity because it needs lots of rain 🌧️. Again, THANK YOU to everyone for bringing in supplies to help us with our POL! I couldn't do it without you.

Our spelling words this week are:

want

show

also

around

three

* Thursday (bonus word)

We will continue working on our 6's in math facts. We will be studying measurement and counting money. We began counting dimes and pennies last week. This week we will count nickels and pennies.

In phonics we had a quiz on adjectives Friday. We will be reviewing nouns and adjectives this week. We may begin studying verbs.

We started last week making informational books. We will continue with this and add illustrations this week.

Please continue to read nightly. I'm very proud of the growth the students have made.

Kindest Regards,
Mrs. Stacy Harker
