Good Afternoon Wonderful Parents!

I am attaching our newsletter for the week to this e-mail.

We had such a fun filled week last week! The kids are doing so well using the computer to research. I am honestly impressed. We researched how to make play doh last week and attempted to make it, but silly me forgot a key ingredient, therefore it did not turn out. We will be trying to again this week with all of the ingredients. We will also be making slime! The kids are SO excited for their POL on Thursday, February 28th! Thank you to everyone who was able to donate materials for our projects!

\*\* Please note that there will be NO SCHOOL this Monday, February 28th, in observance of President's Day. \*\*

Words of the Week:

Math Facts (We did have a couple of friends who did not pass the fluency test for +4 and +5 this past week. If your child did not pass the fluency test for +4, or +5, he or she will be retaking the test. I will contact you directly if this is the case.):

Flash cards work beautifully for fluency practice!

Please try to make sure that your child is reading to you for at least 15 minutes every night. This really helps them build that confidence and fluency in reading.

Please also note that Elementary students without middle/high school siblings should be picked up by 3:00 PM every day. If your child has not been picked up by 3:30, he/she will be sent to Lion's Den and you will have to pay the \$15 daily Lion's Den fee.

As always, if you ever have any questions or concerns, please feel free to reach out to me!

I hope everyone enjoys this long weekend! (:
