

## Notes from Mrs. Santucci

Week of April 16th

### This week's objectives:

**Reading:** We can identify words, phrases, illustrations, and photographs used to provide information.

**Writing:** We can write a question and then provide an answer.

**Math:** We can count forward from any number.  
(ex: 67, \_\_, \_\_, \_\_)

**PBL:** We can explain how animals use their body parts to survive in their habitat.

### Field Trip Info

If you signed up to be a chaperone, on the day of the field trip you **MUST** come into school that morning and scan your license with the front office. I will let you know next week what time we are planning on leaving so that you can plan accordingly.

### Important Dates

April 20<sup>th</sup>- Math  
MAP Testing

April 26<sup>th</sup>- Animal  
Habitat POL 1 pm

April 27<sup>th</sup>- Reading  
MAP Testing

### MAPS Testing Info

Our class will be taking the Math MAPS test this Friday. We will begin at 8:15 so please be sure have your child eat a good breakfast and arrive at school on time. Next Friday, the 27<sup>th</sup>, we will be taking the reading MAPS test. Your child will come home with an index card with their goal score and their actual score. Please be sure to sign the index card and return it to school.
