Happy Mother's Day 4th grade families!

I hope you enjoyed our little Mother's Day gift that the students made you this past Friday! Seeing what they love about you and how dedicated they were in making them was such a joy to see.

This weekly email will be a little shorter than usual because for majority of the week, we have our lovely state tests! The schedule is as follows again:

May 13th-SC Ready: English Part 1

May 14th-SC Ready: English Part 2

May 16th-SC Ready: Math

May 20th-SC PASS: Science

Please try to have your student here on those dates. There will be make up days, but we are trying to avoid those as much as possible! Remind your student to get a good nights rest tonight and try not to worry about the test!

Attached is a reminder of the do's and don't's of state testing. We have already gone over this in class, but please remind your child of these items.

Important Dates

Monday May 13th: SC Ready: English Part 1

Tuesday May 14th: SC Ready: English Part 2

Thursday May 16th: SC Ready: Math

Art Show from 4-6 pm

Monday May 20th: SC PASS: Science

Monday May 27th: Memorial Day (No School!)

Friday May 31st: 4th Grade Awards from 10-11 am

Thursday June 6th: Last day of school/Ms. Mav's birthday! (Dismissal at 11 am)

4th Grade Happenings

Like as mentioned before, for the majority of the week we will be state testing. On Wednesday, we are going to continue doing over some key math materials students need a refresher on when it comes to state testing. We will also start to prepare for our 4th grade award ceremony with a performance we will be doing. On Friday, we be studying over some science material and continue working on our awards performance.

If you have any questions or concerns, please feel free to email me or message me on Class Dojo! I hope you all have a great rest of your weekend and remember to rest up for state testing!
