Good Morning Wonderful Parents!

I am attaching our newsletter for the week to this e-mail.

We had such an exciting week last week! The kids had a blast both on the field trip and on field day! They are so excited to get back in to the normal routine though. Yesterday I was asked by multiple students when we would get back to our challenges and learning about shadows. It made my heart so happy to hear them excited about learning! (:

Words of the Week:

Ride  
Same

Math Facts:

\*\* Please remember that the purpose of these timed tests is to build the fact fluency (ability to add/subtract quickly without using fingers) that they will need to master by the end of first grade. \*\*

Don't forget that the Art Show is this Thursday, May 16th, from 4:00-6:00 PM in the Multi-Purpose Room. Please come view all of the amazing artwork from the students! There will be popcorn (\$1.00), Kona Ice (\$3/\$4/\$5), and a free Photo Booth!

As always, if you have any questions or concerns, please feel free to reach out to me.

I hope everyone has an AMAZING Mother's Day!! (:
