

Happy Sunday Parents,

We cannot wait to see you tomorrow at noon for our Animal Unit POL! Your children have been working very hard on their animal research and they diligently worked to create their animal habitat. Thank you for sending in supplies and helping your child find research to make this PBL unit a success!

Our Zoo field trip will be May 9<sup>th</sup> and the cost is \$15. We are thrilled for the students to see the animals they have researched. Permission forms and \$15 cash are **due no later than May the 4<sup>th</sup>**. If you are interested in being a chaperone, please return your form as soon as possible so we can begin to create our student groups.

Please consider signing up to volunteer at Riverwalk during State Testing. Second grade is not a part of State Testing, but we need many volunteers to help testing go smoothly for everyone involved. If you are interested, please see the link in Dr. Compton's newsletter for more information.

### **Important Dates and Information:**

#### **Monday:**

- \*Animal Unit POL at noon!
- \*Study for Animal Unit Test

#### **Tuesday:**

- \*Animal Unit Test

#### **Wednesday:**

- \*Culture Unit begins. Please send in information about your family for your child to begin working on a family timeline.

#### **Friday:**

- \*LAST DAY TO SEND IN PERMISSION FORM AND \$15 cash for our Zoo Trip.**

**Classroom NEEDS:** Individually wrapped snacks are our biggest need in 2<sup>nd</sup> grade. We currently do not have any. If children do not remember to save a snack they are very hungry in the afternoon. We can always use more Lysol Wipes and white copy paper.

**\*THANK YOU FOR ALL YOU DO TO HELP US BE SUCCESSFUL IN OUR CLASSROOMS! \***

Have a wonderful week,

Mrs. Smith, Ms. Bowman, and Ms. Wilcox
