

Happy Sunday Parents,

We hope you have all had a wonderful break with family and friends. We all had the opportunity to rest, relax, and spend time with those whom we love. It was heavenly to have the chance to recharge.

Here is a quick glance at our week ahead. We will begin to dive into our Animal Unit, details to come later this week. Our Data Analysis Math Test will be Tuesday (please make sure you are studying the study guide) and we will begin Time on Wednesday.

We are working on the final details of our zoo field trip will be given to you by Friday. We cannot wait for this! The money we raised during our Goods and Services Market will help cut down on the cost of this trip.

While you are out and about this weekend please consider picking up some snacks and Lysol wipes for 2<sup>nd</sup> grade. **We are completely out of both items.**

Thank you for all that you do to ensure that we are able to be successful.

Sincerely,

Mrs. Smith, Ms. Bowman, and Ms. Wilcox
