

Week of: April 9th-13th

# Peek at the Week!

## Our Week at a Glance

**Math:** We will work on place value using tens and ones blocks. The students will practice adding ten more and ten less. Timed Addition test on Friday.

**Reading Workshop:** Our poem of the week will be a "Funny Frog." We will work on the -og word family.. The students will practice discussing what they read with their peers after independent reading time.

**Writing Workshop:** The students will write, "Color Poems." These poems will introduce similes and metaphors. We are writing various poems to lead up to an Author's tea showcase on Friday, April 13th.

**Science:** We will continue our unit on the sun and moon. Students will learn about the different moon phases. Complete moon phases sheet each night!

**Wednesday- Clubs in the afternoon!**

## Words of the Week

frog      funny      told  
they      jog      April

## Funny Frog

Fred was a funny frog  
who told jokes and laughed  
as he sat on his log.  
The swamp animals came  
to listen to frog.  
They listened in the rain,  
in the snow and the fog.

## Read Each Night!

Books will be sent home this week inside your child's folder. This is the book that is on your child's reading level and is the book used during our guided reading time. Please return it each day!

## Homework

We encourage all students to read each night, work on sight words, and practice addition facts. Have your child write a sentence about what they read each night. Also, practice writing the sight words and not just reading them. We also encourage that all students spend time with their families!

## Upcoming Important Dates:

**April 11th-Field trip form and money due.**

**April 13th-Author's Poetry tea (Parents invited)- 10am**

**May 1st-Museum Field Trip**
