## World PD Conference: Phoenix

Attend the World Parkinson Congress in Phoenix.  
Conference and hotel accommodations for 5 nights.

May 24-28, 2026  
Air Travel Not Included

**Step into the global conversation on Parkinson's disease with this extraordinary opportunity to attend the 7th World Parkinson Congress, May 24–28 in Phoenix, Arizona.** This impactful package **includes a five-night stay at the Sheraton Phoenix Downtown, conveniently located near the Convention Center**—placing you in the heart of this world-class event.

**Designed for a Member and Care Partner (two people)**, this experience offers access to one of the most important international gatherings focused on Parkinson's research, treatment advances, wellness strategies, and lived experiences. **The World Parkinson Congress uniquely brings together scientists, clinicians, care partners, advocates, and people living with PD — creating an inspiring environment of learning, collaboration, and hope.**

**Whether you attend to deepen your knowledge, connect with global leaders, discover innovative therapies, or simply feel empowered by community, this is more than a conference—it's a life-changing experience.**

And the impact doesn't stop there. If you win but cannot attend, you may choose to donate this package back to PASWFL, giving a deserving Member and Care Partner the gift of education, encouragement, and global connection.

**Bid with purpose. This is your chance to invest in knowledge, community, and the future of Parkinson's care.**
