## From Pastor Molly

Grace and Peace to you, friends in Christ!

In recent years, Thanksgiving has become the start of the Christmas season. I used to lament this mixing-and-melding of the seasons into one season. Yet during the difficult years that we have experienced as a society, I have come to appreciate the joy and hope of this longer holiday season. For many of us, as soon as the Thanksgiving table is cleared and the leftovers stored, the Christmas tree is decorated. In fact, you may be eating Thanksgiving in a room decorated with autumn leaves, a pumpkin, and a Christmas tree.

I propose that we embrace the joy of an extended season. Our spirits crave the connections of the holidays, the joy of celebrating, the peaceful quiet of sitting in the living room in the dark listening to carols and enjoying the lights from the Christmas tree. At Hayes Barton United Methodist Church we have ways to help make this season merry and bright during Advent. Go to [hbumc.org/advent](http://hbumc.org/advent) to explore our Advent offerings. Feel free to contact me if you have questions about ways to connect during Advent.

Friends, I invite you in this week of Thanksgiving and the beginning of Advent, to be thankful for this season!

*Be thankful* in the waiting for the Christ child to appear to save the world from sin and death. Join with us as we worship together on the Sundays and Wednesdays of Advent.

*Be thankful* in the busyness of preparation and planning, of friends and family. Set your Spotify station or Alexa to play Christmas carols while you're driving or baking cookies.

*Be thankful* in the setting aside of quiet time to reflect on the meaning of the season for your Christian journey. We will be worshipping together with Hayes Barton UMC and

Edenton Street UMC at our Advent Service of Healing and Hope on December 18<sup>th</sup> in the late afternoon.

*Be thankful* in the joy of children during the season. Everyone is invited to a special Child-Led worship service on December 11<sup>th</sup> where we celebrate the season through the eyes of our children.

*Be thankful* that we are able to give out of our abundance to those in need. We will gather as a community at Generous Helping on December 14<sup>th</sup> for an evening of food, fellowship, and service to our neighbors.

*Be thankful* in the beautiful music of the season from the grandeur of the Magnificat in our traditional services to the joyful special music offered at LightHouse during our worship services on December 18<sup>th</sup>.

*Be thankful* in preparing your heart for the coming of Christ into the world. The devotional book called *Waiting on the Word* we are using for joint Sunday School during Advent will help you focus some time every day on your spirit.

*Be thankful* in the hope that Christ will come again and vanquish the evil forces that buffet this world. We will worship together on Christmas Eve and on Christmas Day celebrating the joy that came into this world through Jesus Christ.

O Come, O Come, Emmanuel, we are so thankful that you are always with us.

May this season bring you hope, peace, love, and joy!

Your sister in Christ,

Pastor Molly

## From Pastor Matt: A Big Thanksgiving Food Box Thank You

On Friday November 18, I had just packed ten food boxes with a class of joy-filled and smiling 4- and 5-year-olds from HBUMP and the teacher asked, "What kind of work did we just do?" One girl said, "Teamwork." A boy said, "God's work!" The teacher agreed with both of them.

Over the last few weeks, our church has engaged in God's work through Outreach in many ways. We have been the missional church by moving out into the world, serving people's needs, and building relationship with them. On November 13<sup>th</sup>, church members sat at table and shared a Thanksgiving meal with the families of Cristiana Iglesia and Seeds of Hope at Millbrook UMC, and we celebrated the successes of that ministry. Then, together, we donated, boxed, and delivered over 300 Thanksgiving meals and turkeys for our neighbors. We served families at Wee Care, The Daniel Center, Parkview Manor, Stonecrest, Shiloh Restoration Church, Welcome House, Family Promise. Also, we provided Thanksgiving meals to families at the following schools: Joyner, Underwood, Wiley, Brooks, Conn, York, and Bryan Road.

I want to thank ALL in our congregation who donated and/or participated for your incredible outpouring of generosity and service. I also want to thank:

- The Thanksgiving Food Box Team: Janet Gruchacz, John Thomas, Laura Kirby, Beth Baker, Tracy Robinson, and Audrey Gastmeyer for many hours strategizing, organizing, and implementing this ministry.
- Matt Kirby and his team who shuttled a majority of the turkeys to the church.
- Dean Ogan and Rocky Top Catering who ordered and stored our turkeys and chickens.
- Lon and Chandler Ellis and Overflowing Hands who donated 800 lbs. each of fresh apples and sweet potatoes.

My heart is full of joy as I consider how we have participated in God's work together. Happy Thanksgiving!

In His Service, Matt Ashburn

The Commissioner

## Humble Heart Bazaar - Thank You!

Wow! Thank you all for coming out to support the 2022 Humble Heart Bazaar! The outpouring of love from our congregation, community, and beyond was truly humbling as we fully opened the doors to "God's House, Our Home." You showed up and showed out! You volunteered your time, talents, and service and gave abundantly to this special tradition in the life of our church. Thank you to everyone who purchased greenery, enjoyed a lunch, participated in the bake sale, came out to the marketplace, and donated to and bid on our Silent Auction. The impact this will make on local nonprofits is immeasurable.

## One and Done - Thursday, December 1

Pastor Molly and Reverend Sally Bates will lead a One and Done book study and discussion on the new book by our recent guest speaker, Reverend Peter Storey. "Protest at Midnight: Ministry in a Nation Torn Apart," is the story of ministry in the face of South Africa's apartheid regime. The discussion will take place on Thursday, December 1, at Hayes Barton from 6:30-8pm.

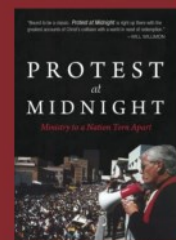

Sign up for the study at [hbmc.org/signups](https://hbmc.org/signups).

*"Let me say to President Botha: apartheid is doomed! It has been condemned in the councils of God, rejected by every nation on the planet and is no longer believed in by the people who gave it birth. Apartheid is the god that has failed. . . let not one more sacred life be offered on its blood-stained altar."* This is what Bishop Peter Storey preached in 1986 in the darkest hours of black suffering in a South Africa torn apart by racial oppression. Join him as a youthful chaplain to Nelson Mandela on Robben Island, defying armed police entering his pul-

pit, heading the SA Council of Churches with Bishop Desmond Tutu, leading 25,000 marchers against Johannesburg's secret police headquarters, and confronting Winnie Mandela's wrongs. Storey's ministry was shaped by one simple question: "What does it mean to obey Jesus in apartheid South Africa?" This book tells of his answer and challenges the silence of American churches in the face of nationalism, systemic racism, and right-wing populism in the USA. - [amazon.com](https://amazon.com)

## Holiday Share

Holiday Share - donate in honor or in memory of a loved one this season to address a major emergency need this Advent: The federal rent waiver is being cut, after COVID, from \$800 per month to \$400 per month as of December. Thus, those who face food and housing insecurity must find ways to make up \$400 per month to sustain their homes this winter. Holiday Share funds will go to the Friendship Fund at First Presbyterian Church and Doorstep Ministry at Edenton Street UMC. This will address emergency needs of county residents faced with housing, utilities, and food insecurities.

To donate, look for volunteers on Sundays and at the Generous Helping event on Wednesday, December 14th.

## HBUMP September Teacher of the Month

Congratulations to Missy Boyd, one of our 5-day 4s teachers. Missy's nomination read, *"She is a masterful teacher and we just had the best experience allowing a child to utilize sensory strategies successfully while honoring his ideas at the same time. He was able to navigate an experience that would have negatively affected the success of his day with prompts from Missy! Missy should be commended for her wisdom and knowledge and experience as a 'top notch' educator."*

Missy has been working with children for her entire career. Over the past 10 years, she led professional development training for teachers all over the state. She holds a BA from Meredith College and is currently finishing her Masters Degree in Education from UNC-CH. Both of her daughters attended HBUMP, and she is the Head Coach for Broughton's JV women's lacrosse team.
