## Question & Answer

The units will be leased in accordance with policies and guidelines established by the Commonwealth of Massachusetts Executive Office of Housing and Livable Communities (EOHLC) through its Local Action Unit (LAU) program.

### What are the qualifications required for Prospective Tenants?

- Qualify based on the following maximum income table, which is adjusted for household size:

Household Size	1	2	3	4	5	6
Max Gross Allowable Income	\$69,480	\$79,440	\$89,340	\$99,240	\$107,220	\$115,140

### LOTTERY APPLICANT QUALIFICATIONS:

1. Household income cannot exceed the above maximum gross allowable income limits. Income for adults 18 or older is required.
2. Under HOTMA, households with total assets over \$51,600.01 must include either actual or imputed income calculated using HUD's current passbook rate of 0.45% in their income eligibility, while those with \$51,600.01 or less may exclude asset income. All financial accounts, digital wallets, lump-sum receipts, and recently disposed assets must be disclosed and verified. Assets divested at less than full market value within two years of application will be counted at full market value when determining eligibility.
3. In addition to income and asset eligibility you will also be subject to a screening by the project and determined eligible based on that basis.
4. Applicants may not own a home and lease an affordable unit, including homes in a trust.
5. Persons with disabilities will be given first preference for such units regardless of what pool they are in based on the requested bedroom size. Where a person with a disability is awaiting an accessible unit and a unit with adaptive features becomes available, the owner/management agent must offer to adapt the unit.

### Are there units available for Local Preferences?

Yes, subject to certain fair housing and household size limitations herein, the initial occupancies of 2 units is given preference for households who meet at least one of the Local Preference Criteria as stated in the application.

### Are there Group 2 units?

There are no Group 1 or Group 2 units. There is not an elevator in the building. The units can be adapted to satisfy a reasonable accommodation request. Persons with disabilities are entitled to request a reasonable accommodation in rules, policies, practices, or services, or to request a reasonable modification in the housing, when such accommodations or modifications may be necessary to afford persons with disabilities an equal opportunity to use and enjoy the housing. Such reasonable accommodation is not limited to Group 2 units.

### Are there preferences for Household Size?

Household Size Preferences are based on the following:

1. There is at least one occupant per bedroom.
2. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
3. A person described in the first sentence of (2) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and the lottery agent receives reliable medical documentation as to such impact of sharing.
4. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
5. If the applicant is in the process of a divorce or separation, the applicant must provide proof that the divorce or separation has begun or has been finalized, as set forth in the application.

### Are there considerations for minorities?

If the percentage of minority applicants in the Local Preference Pool is less than the percentage of minorities in the Surrounding HUD-defined area, currently 33.4%, a preliminary lottery will be held comprising all the minority applicants who do not qualify for the Local Preference Pool. Minority applicants not otherwise qualifying for the Local Preference Pool would be drawn at random from the Open Pool until the percentage of minorities in the Local Pool is no longer below the percentage of minorities in the surrounding HUD-defined area. Applicants not selected for the Local Preference Pool would be in the Open Pool only.

**What happens if my household income exceeds the income limit?**

Annually you will be recertified for eligibility. Once your household income exceeds 140% of the maximum allowable income adjusted for household size, then after the end of your current lease you will have the option of staying in your unit and paying the market rent or not renewing your lease.

**Lottery Process**

Due to the nature of the affordable units’ availability, it is important for everyone to understand the procedure. Please understand the allowable income guidelines are adjusted based upon your household size. Also be advised that the program and its requirements are subject to changes in state or federal regulations.

**Lottery Pools**

Three (3) affordable units are available by lottery at 703 Fellsway in Medford MA . The lottery has two pools: Local Preference and Open. You must meet at least one of the Local Preference Criteria to be included in the Local Pool. The units’ breakdown as follows:

Unit Size	# of Units	Local Pool	Open Pool
One Bedroom	1	1	0
Three Bedroom	2	1	1

Each eligible applicant will receive a confirmation email, prior to the lottery, which will include your lottery code. The lottery will be conducted electronically and will not be conducted through Zoom. Applicants in the Local Preference Pool would have two opportunities for a unit by also being included in the Open Pool.

All eligible applicants will be pulled electronically at the time of the lottery. Post lottery the ranking lists will be broken out by Local Pool and Open Pool. This will establish the lottery rankings for the distribution of units. If you have the initial opportunity to lease you will then upload your financial documentation online or provide by email, fax or mail within one week of notification. Unit distribution will be based on the lottery pool and will go to the highest ranked applicants meeting appropriate household size in either the Local Preference or Open Pool who uploads or submits their financial documentation on or before the designated deadline and is determined program eligible. For example, if we are filling a Local Preference Pool one-bedroom unit, the highest ranked household in the Local Pool that meets the Household Size Preference (see Page 5) for a two-bedroom unit and determined program eligible will be offered the one-bedroom unit first. This process will be identical for both the Local Preference Pool and Open Pool and will be used for all unit sizes until all units are leased or until the lottery list is exhausted.

**Please note:** Household size preference will override local preference. This means if we exhaust the applicants in the local pool that require one-bedroom unit we will move to the open pool for households requiring one bedrooms. Household size shall not exceed, nor may the maximum allowable household size be more restrictive than, State Sanitary Code requirements for occupancy of a unit (See 105 CMR 400). Applicants will not be approved for units larger than their household size allows.

Once the lottery rankings have been determined you will receive an email for the next step to provide your financial and other documentation to determine program eligibility. Once you are determined program eligible your information will be sent to the Leasing Office. You will then need to complete a Leasing Office application, and they may screen for credit, criminal, sex offender, judgement & summary processes, and landlord checks. If the Leasing Office determines you are eligible then you will be offered the unit. You need to be determined eligible by MCO Housing Services and the

Leasing Office. If either determines you do not meet the eligibility criteria, then you will not be able to lease a unit. If you have a Section 8 voucher or other housing voucher, the provider of the voucher will have its own approval process. If the provider does not accept the property or rent, then you will be unable to lease.

The lottery results and breakdown by bedroom size list will be emailed to all applicants included in the lottery usually the on day after the lottery.

You need to be determined eligible by MCO Housing Services, the Leasing Office, and if you have a Section 8 or other housing voucher, your Public Housing Authority (PHA). If the PHA determines you or the project do not meet the eligibility criteria, then you will not be able to lease a unit.

If there are lottery applicants remaining once the affordable units are leased then, based on the order in which such applicants were drawn from the Open Pool and subject to any applicable preferences for accessible units and household size, MCO Housing Services will establish a waiting list for future vacancies. Local preference will not be applied beyond the initial marketing and lease up.

***Time Frames***

The units are available for immediate occupancy.

***Acceptance of Units***

It is important for all applicants to understand that applicants may have an opportunity to select their unit if they meet all the deadlines, to be provided post lottery to all that have the initial opportunity to lease. The Local Pool applicants will select units first, based on the final lottery ranking list, if they are determined program eligible and pass the Leasing Office screening. Unit selection will be completed in ranking order, by lottery pool, post lottery for the initial 3 applicants that have the opportunity to lease based on the lottery results only. Unit Selection will happen after the Leasing Office application has been completed and approved. If the Leasing Office denies your application, then you will not be able to lease. For those with a Section 8 or another Housing Voucher, the voucher provider must approve the project and rent. If the voucher provides does not accept the rents or project, you will not be able to lease, even if you were approved by the Leasing Office. Applicants that miss the provided post lottery deadlines will lose the opportunity to lease as we will move to the next applicant on the lottery list.

***Summary***

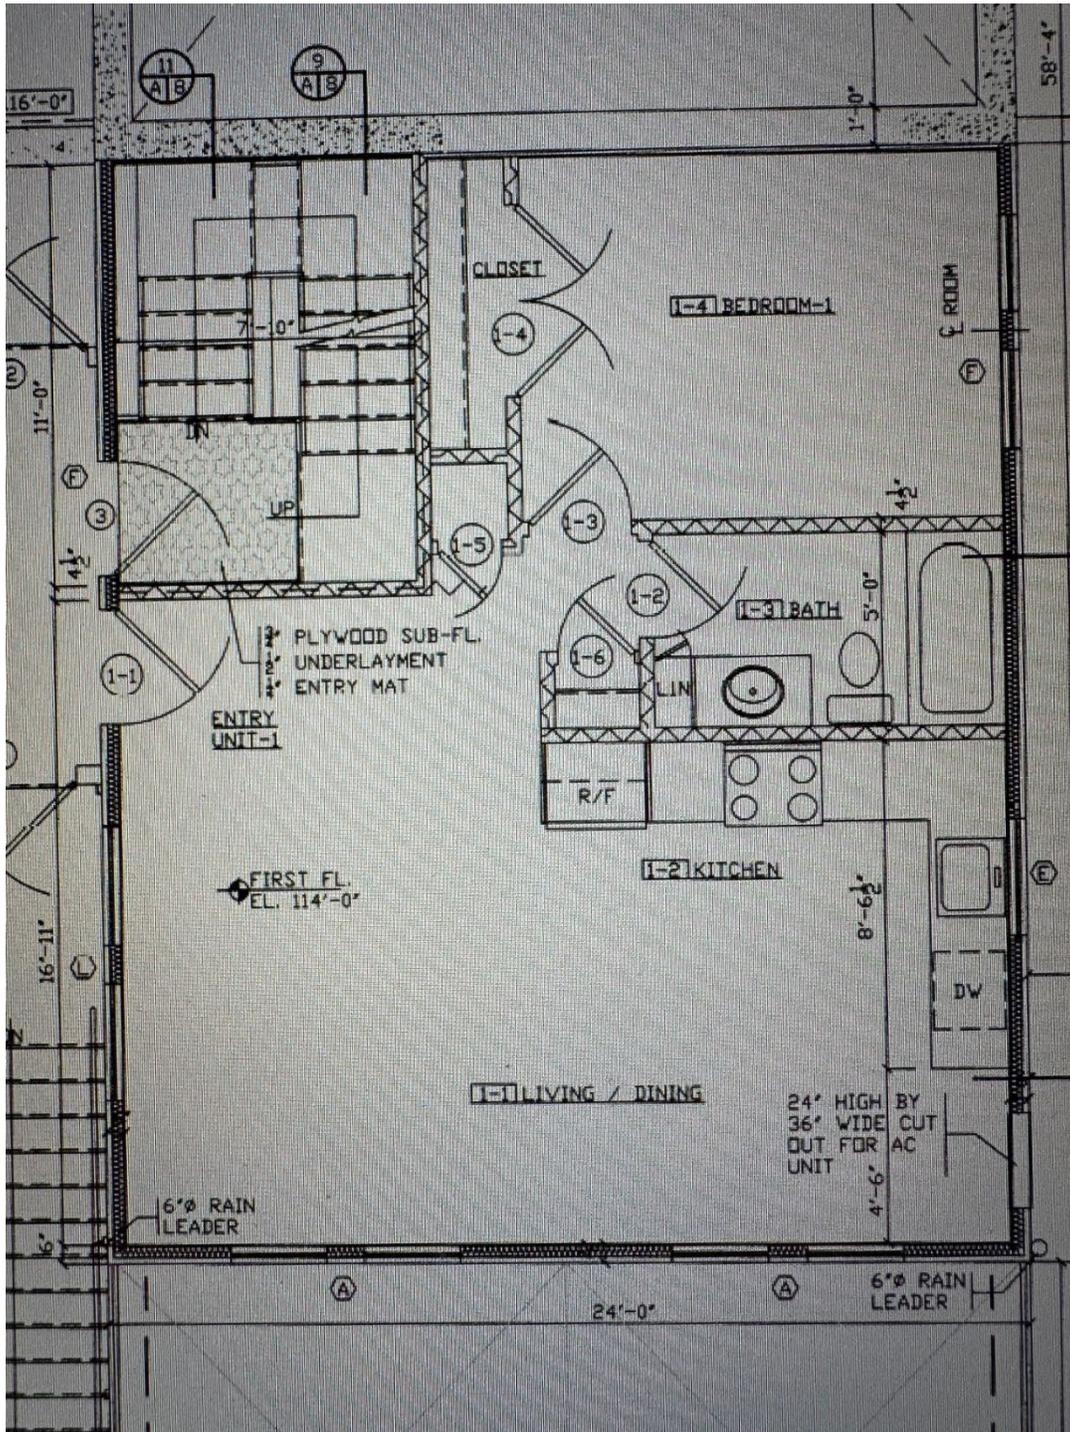

We hope this helps explain the process by which the units will be distributed. It can be a lengthy and sometimes complicated process. We greatly appreciate your participation and wish you the best of luck in the lottery process.
