

NEW CMSNE PEDIATRIC CASE MANAGER SPECIAL INTEREST GROUP

We are proud to announce the kickoff of the CMSNE Pediatric Case Manager Special Interest Group!!! Through this "Special Interest Group" CMSNE acknowledges the unique needs and contributions of the Pediatric Case Managers in our region and country. The Pediatric Case Manager SIG communicates the educational and other needs in a variety of CMSNE meetings and other setting ensuring that programming and chapter planning reflects them.

PURPOSE

The CMSNE Pediatric Special Interest Group (SIG) recognizes the unique practice and learning needs of the pediatric case managers and health care team members. The Pedi SIG focuses on the pediatric patient care delivery needs with the goal to expand the knowledge and skills of these specialty-based case managers through high quality education opportunities.
