Transformative Action for North Kingstown

April 18, 2026

I wanted to extend my gratitude to the Carolyn Steere Hurdis Foundation for Social Justice Fund for the generous donation of $2,000 for the 4th Annual *We Are ALL Readers* Book Festival, held on April 11, 2026.

Because of your support, we were able to provide a vibrant, engaging day for our community, including author talks and storytimes with eight children's book creators, two comics workshops for young readers, more than 500 books for children to take home, and eight StoryWalks at libraries across Rhode Island.

Events like this underscore the power of diverse children's literature ensuring that every child has the opportunity to see themselves reflected in the stories they read, while also fostering empathy, understanding, and connection across experiences.

We are deeply grateful for your partnership in making this work possible and for helping us continue to offer free, meaningful programming for families in our community.

Thank you again.
