

Americans on opposite sides of the political spectrum don't only disagree on issues — they increasingly dislike one another.

This growing partisan animosity is the crisis of our time and threatens our nation.

Braver Angels exists to address this challenge.

The first Rhode Island Alliance of Braver Angels is being formed! Westminster UU and the UU Congregation of South County (UUCSC) will be participating in the leadership and helping to engage fellow citizens in the critical mission of Braver Angels, to:

Bring Americans together to bridge the partisan divide and strengthen our democratic republic

March 22 at 6pm join us for a 1-hour e-course workshop at Westminster UU Church 119 Kenyon Ave E Greenwich

Braver Angels Skills for Bridging the Divide Workshop for Blues

This course will teach you how to communicate better with people who differ from you politically. There are two course options, one for "reds" and one for "blues." By "red," we mean someone who leans conservative or tends to vote for Republicans. By "blue," we mean someone who leans liberal or tends to vote for Democrats. You are also welcome to take both courses if you like. The skills are the same but the examples are different. If you are an "other" who does not lead red or blue, please choose a side for the sake of practice.
