Our Stories

For many years, Helene Gersuny wrote a monthly column for the newsletter that featured a brief bio of one of our members. It was written in a thorough and amusing fashion that was distinctly Helene.

During COVID I was missing the weekly service and feeling a need to connect with other UUCSC members. With Helene's permission, I recreated the series, writing a weekly column (which was a heavy lift, but I didn't have too much else to do).

Each week I called a member of the church to see if they were interested. If so, we set up an appointment for an interview by phone, Zoom or sometimes outside and in person. I had such a good time doing this and by all accounts it was much appreciated by the congregation, who were also mostly isolated and stuck at home. Those stories can be found **here.**

The role of President put an end to my creative writing. Now that I have recovered (LOL), I am ready to continue the fun endeavor. If you are interested in being profiled, please call me at 783-1362 and we can talk about it. The continued series will appear in the newsletter on an occasional basis — as interest and time dictates.

There are so many people I didn't get to before and so many new members. Perhaps now is the time to get your 15 minutes of fame!
