

**IT'S TIME TO REGISTER!**  
**UUCSC Habitat Build**  
**Saturday, September 28, 8:30am-12:30pm**

Volunteering on a Habitat build site is a fun and exciting hands-on opportunity for individuals of all skill levels! There is no

construction experience required, and Habitat provides all the necessary equipment and materials for a successful day on site. Construction related projects could include carpentry, painting, siding, flooring, finish work, cleaning, gardening, and much more! As a construction volunteer, you'll learn new skills or improve current ones, work with our terrific community, meet new people, and leave at the end of the day knowing that you've helped build a safe, decent, and affordable home for a local family.

**Registration is NOW open for volunteers from UUCSC to build on Sat. Sept. 28, from 8:30am-12:30pm.** If you'd like to build, please plan to arrive by 8:15am and stay for the entire time (the work tasks are planned accordingly). Please use this link to register: [Unitarian Universalist Church Build 2024](#).

All volunteers must be 16 years of age or older to participate at a construction site. Any volunteer aged 16 or 17 must get a youth waiver by contacting Habitat's Volunteer Coordinator, Emily, at [emily@southcountyhabitat.org](mailto:emily@southcountyhabitat.org).

To learn more about Habitat, check out their website.
