South Kingstown Water Resources Forum

Stormwater Management, Water Quality and Climate Resilience

Nov 19, 2024 6:00 pm

South Kingstown High School library

(enter through School Street entrance)

SK Sustainability Committee invites you to a forum on the state of our local rivers, lakes, and ponds. Learn what SK is doing to build resilience to climate-driven changes in our weather patterns and impacts on our water resources.

Speakers include:

Elizabeth Scott
SNEP Network Liaison for Rhode Island

Elizabeth Herron
Program Director, URI Watershed Watch

Lorraine Joubert
Director, RI NEMO, URI Cooperative Extension

Rich Bourbonnais
Public Services Director, Town of SK

Friends of the Saugatuck

Salt Ponds Coalition

SK Conservation Commission

URI Watershed Watch
