# LIVING IN A CLIMATE CRISIS WORLD
# A CALL TO HOPE AND ACTION

PEACE DALE CONGREGATIONAL CHURCH
261 Columbia St, Peace Dale RI 02879

**SATURDAY, JANUARY 25, 2025**
**10am to 12pm**
Light lunch and refreshments to follow

Join us for an inspiring and thought-provoking talk by Special Advisor on Climate Justice to the General Minister and President of the United Church of Christ, Rev. Jim Antal (www.jimantal.com), exploring the profound moral and theological challenges of our time.

Together, we'll reflect on the grief, hope, and action required to address the climate crisis as faithful stewards of God's creation. We will examine the most recent science, and we will ponder how a few generations of humans have reaped immeasurable profits by devastating God's great gift of creation as they built the modern world. We will see how we are living amidst a theological emergency in which the preservation of God's creation has been reduced to an ideological debate. And we will receive God's call to faithfully engage a new vocation as we respond to the long emergency.
