Focus on Climate

Peace Dale Congregational Church has for some time had a robust and active climate team. They have graciously offered to include interested members of the UU to attend their "Green Team" events. Here is a list of upcoming activities:

Composting Program: March 5th: 6:30pm, PDCC
Coordinated by Katherine Condon, delivered by Jayne Mercer. Title: "The Deep Impacts of Composting".

UCC Climate Action Assembly. March 6, 1pm. ZOOM webinar.
Updates on "Freedom from Plastics Campaign", "Electrification Checklist Initiative" and Vote for Climate Hope Campaign. Faith Climate forum, April 16: In person at host Location or Zoom webinar.
An enriching day of faith, creation care, and community. The agenda is carefully crafted to inspire, inform, and empower clergy and congregations with actionable and practical guidance. For more information and to register: https://nationalfaithandclimateforum.org. Note that St Andrews by the Sea in Little Compton has registered as a host location. We too could consider registering as a Host location. This event is sponsored by "Blessed Tomorrow", not UCC as I noted in our meeting last evening.

UCC Earth Summit (2nd): April 20th. Zoom webinar and in-person (Dartmouth College, NH)
Bill McKibben keynote. "Energy from Heaven or Energy from Hell"? 2.5 hr summit, features other grassroots leaders and videos showcasing the environmental ministries of Host Congregation (Church of Christ at Dartmouth College).
