Rev's Reflections

Annual Meeting

Just about everything happening in Washington DC makes me anxious or depressed— except maybe for the disappearance of Elon Musk. But our Annual Meeting renews my hope. It's a great example of democracy in action.

Every member gets a say in how we do things. Each of you gets to make happen the things that matter to you, and elect into office the people you trust to do all the work that you can't do yourselves. It's direct and representational Democracy.

This Sunday after the service, your Board of Directors will call to order the meeting, which will include approving the budget for fiscal year 2025-26 beginning July 1, shaping our future.

You'll also elect new officers to the Board and the Nominating Committee, then install them, charging them to do the work of the congregation.

Best of all, you'll have the chance to thank everyone ending a stint in leadership, for making the needs of this congregation a top priority in their lives.

Of course, there's more, so you'll want to check the packet that was already sent to you. You can also find it on the website https://uusouthcountyri.org/wp-content/uploads/2025/05/Packet-2025-Annual-Meeting-FINAL.pdf

Please join us after the service, in the sanctuary or by zoom https://us02web.zoom.us/j/85086940151?pwd=ibIGrFG7nS1wR5kHHRo7jTaMDxYOix.1

Together, we can restore our faith in democracy, while we show each other our care.

In Peace,
Rev Denis
