

## Online Financial Contributions to UUCSC

In addition to the traditional ways that you generously support UUCSC, you can now give online! (Dec.2020) After collaborating with a team with knowledge in the area of online giving, the Finance Committee decided to offer an online option and chose the PayPal platform for processing payments. Click the word **Donate**, wherever you find it on the [UUCSC website](#) to go to the online donation page. Please read and consider including the optional add-on fee to your donation. Just follow these steps:

1. Click the donate button. 
2. Enter your donation amount, with or without adding the PayPal fee cover.
3. Click open the OPTIONAL “Use this donation for” drop down arrow and choose your donation type - **Pledge Fulfillment or a Non-Pledge Offering**. If none is selected, your donation will be recorded as a Non-Pledge offering.
4. Check the box if you want this to be a monthly donation (optional).
5. Choose your payment method – PayPal **or** Debit/Credit Card. You do not have to have a PayPal account to use this service.
6. Complete the payment information requested.

A special note from the Finance Committee: Please continue making your Pledge payments in whatever method you are accustomed - by check mailed to UUCSC or by direct payment from your bank. These methods save PayPal fees.

The addition of PayPal is for those of you who find the method quick and easy.
