

As usual, the first Tuesday of the month, June 1 @ 6 pm, at the Club House of the Village at Warden's Pond. This will be our 2nd in person meeting. With us all having our 2 vaccines, we decided on having a limited potluck, with all participants bringing their own drinks, plates and utensils. Cathy Solomon will be our "Presenter" for our grantee from Guatemala, "Creamos", promoting gender equality & health.

It was very fun for me this weekend, renting out a room to guests in my home, to find out the woman was a member of the Silver Springs, Maryland Together Women Rise Chapter! Such fun and shared conversation, planted a few seeds for our chapter's possibilities!!!!!!

Best wishes to all,
