On March 15th, many people will mail a postcard to our current administration that publicly expresses our opposition to policies that hurt the “least of these.” Let us be guided by the UUA to speak up and join others. Look to the actions taken by our own denomination for suggestions.

Actions on immigration

Sued the Trump administration to stop immigration raids at houses of worship

Supports a pathway to permanent residence for recipients of Deferred Action for Childhood Arrival (DACA)

Actions on climate change

Supports action on climate change as part of an Action of Immediate Witness

Other actions

Supports embracing transgender, nonbinary, intersex, and gender diverse people

Supports organizing for health equity

Supports stopping voter suppression and partnering for voting rights S

upports anti-racism and reparations

The UUA also has a nonpartisan civic engagement effort called UU the Vote.

And We the People, in vast numbers, from all corners of the world, will show the media and our legislators what Democracy means. And most importantly, we will send the White House postcard pink slips in solidarity with all government workers fired and denigrated for doing their jobs. Each of us — every protester from every march, each congress calling citizen, every boycotter, volunteer, donor, and petition signer — if each of us writes even a single postcard and we put them all in the mail on the same day, March 15th, well: you do the math. So sharpen your wit, unsheathe your writing implements, and send your sincerest thoughts for a better world on March 15th, 2025. Writeone postcard. Write a dozen! Take a picture and post it on social media. Spread the word! Then, on March 15th, mail your messages to:

> President, The White House
> 1600 Pennsylvania Avenue NW
> Washington, DC 20500

Let us also be guided by Elie Wiesel—in his own words: “I swore never to be silent whenever andwherever human beings endure suffering and humiliation. We must always take sides.”
