

Dining for Women || Tuesday, December 1, 2020 6:00 PM

For those who have been “regulars”, how wonderful, especially those who have shown up at the Village at Warden’s Pond club house, since the UUCSC has been closed. We continue our vigilance in keeping safe and healthy by moving to a virtual Zoom meeting. PLEASE join us, whether it is your first or a familiar meeting.

My thanks and appreciation to those who have been presenting on our previous grantees and sustained grantees. We will be showing the video, by screen sharing on our Haitian grantee, care2communities.org followed by viewing our sustained grantee in Nepal, www.BlinkNow.org. We need 2 volunteers to do a little more research on each of these organizations and share with us at our zoom meeting. The more participants, the better the gathering!!!! REALLY! Please call me 401-294-6789, for help or wondering what is expected. All members, please watch these videos BEFORE the Zoom meeting, so we will all have common background. They can be found on our www.DiningforWomen.org web page, under heading **Learn**. Then scroll down to Grantee, then Sustained Grantee - both looking for December 2020.

Please mark your calendars. Those wanting to make a contribution may go to <https://diningforwomen.org/donate/> where you’ll find several options for giving.

Looking forward to many faces I have not seen in a while, and trying my best to keep the enthusiasm going.

Fondly with gratitude,
Gail Burchard – Peace Dale Chapter

New Mission:

Dining for Women cultivates the collective power of community to achieve global gender equality.

New Vision:

Dining for Women envisions a world where every person has the same opportunities to thrive regardless of their gender or where they live.
