

Community Connections  
Jean N. Bowen  
July, 2020

I am so grateful to Carolyn Hurdis and the volunteers on our team and the UU Social Justice leaders in Rhode Island for supporting this tribute to the Narragansetts. We believe that our commitment to racial justice is best demonstrated as advocates and allies for minority owned or led organizations.

Perhaps our relationship with Tomaquag Museum may lead to other ways in which we can bring visibility to their mission and offer meaningful volunteer opportunities for our members. What do you think?
