Dear CABE Member,

As you may have noticed over the last several years, CABE is enjoying *an impressive growth spurt!* We've expanded our services, clients, staff, consultants, partnerships, contracts, grants, resources, online and social media presence—and most importantly, membership. The CABE Membership Team recently met to discuss and enhance how we support and communicate with CABE members, chapters, and regions. We are here to support **YOU** and **all CABE members**, as follows:

California Association for Bilingual Education

Roxanna Espinoza, CABE Membership and Registration Assistant

- performs data entry related to membership.
- processes receipts and payments related to chapter/affiliate business.
- assists with general membership inquiries.

Joshua Jauregui, CABE Administrative Systems and Membership Relations Manager

- responds to chapter requests for support. (i.e. brochures, banners, rebates, membership questions, etc.)
- manages internal database related to the business side of membership.
- sends notices to chapter leaders regarding data and paperwork requirements.

Stanley Lucero, CABE Membership Consultant

Transitions to a new role:

- sets up and staffs the CABE membership and information tables/booths at the annual and regional conferences.
- works with regional representatives to recruit members to staff the conference booths and supports membership recruitment activities at these events.
- May also provide musical entertainment (along with local musicians) at conference events.

Laurie Nesrala, CABE Education Consultant and Membership Liaison

- facilitates monthly communication between CABE chapters/affiliates and CABE Board & staff.
- gathers and disseminates news and updates regarding chapter, affiliate, local, regional, and state events, activities, and accomplishments.
- highlights chapter and membership news in the CABE Corner e-newsletter, on social media and in other CABE publications.

If you have suggestions, questions or concerns, please feel free to contact the person indicated above for each specific type of membership service. We look forward to working with you to further implement the **CABE Vision and Mission**. Thank you for being a CABE member and for everything you do to support our students and their families, schools and communities. What an exciting time to be part of this wonderful, robust, and ever-growing organization!

Warm regards,

The CABE Membership Team
