

VIRTUAL PROJECT 2INSPIRE

Parent, Family & Community Engagement

Collaboration • Motivation • Knowledge • Effective Communication

WHAT GOALS DOES PROJECT 2INSPIRE PROGRAM INCLUDE?

- ▶ **Reduces** the educational gap of students at risk.
- ▶ **Increases** the leadership skills, knowledge development, and educational commitment of parents, to raise the academic achievements of their children.
- ▶ **Increases** the capacity of schools and districts to maintain a commitment to a high quality parent leadership program focused on student achievement.
- ▶ **Develops** the leadership skills of parents, as trainers of other parents, in schools.
- ▶ It **helps** parents guide the academic success of their children at home and at school.
- ▶ **Strengthens** families and the community through the creation of partnerships between family, school and community.
- ▶ A **study-based program** that supports parent leadership so that students can reach their maximum potential- academically, emotionally, and personally.

Some comments from parents who have participated in all levels of the program

“ I graduated from Mastery, Expert and the Leadership level from the Project 2INSPIRE curriculum, personally the program helped me a lot, motivated me to revalidate my high school diploma. Thanks to Project 2INSPIRE I became more involved at the school. This program also gave me and some colleagues the opportunity to introduce and motivate other parents at some CABE and District conferences.”
